

## Level 1 Endurance Course

**Sunday 25th February - Dartford Harriers Club House - from 10am until 2pm**

One day course that will allow the candidate to work under the supervision of a qualified endurance official with a view to becoming a qualified technical official.

Length: Half day

**Please note:** The minimum age for this course is 18

Following attendance at this course candidates will have knowledge and understanding in the following areas:

- Appropriate attire/equipment
- How endurance officials operate at road and cross country races.
- The requisite skills to be an endurance official
- The key officials who operate at an endurance event and their responsibilities
- Knowledge and application of rules
- Relationship with other officials
- Relationship with athletes
- The tools to do the job
- The endurance officials pathway – what is in it for me
- A working knowledge of the start, finish and course of an endurance event.

Following completion of the course candidates will then be required to operate under the supervision of a qualified technical official and submit log book records to gain a formal technical officials qualification at the following sub-levels:

**Level 1** – officials who have attended the Level 1 course and have four recognised experiences at an endurance event in their log book will progress to county official

**Level 2** – officials who have studied two compulsory modules:

- Sector Marshals
- Results/ Recording (Laps/Times/Finish)

And one from the following:-

- Race Referee/Race Judge
- Start/Finish Director (Basic)
- Race Director (Basic)
- Clerk of Course/Course Director

And show a further six successful experiences in their log book will progress to become a county official.
